Joe – this is the Penn Plaza area between Thompson and Pennsylvania Streets. I need copies of all easements in the area; specifically the easements that run through the extension of Marguerite, and also any easement we might have with either McConkey/Sesko, or DNR for the beach sewer. I believe the sewers on Thompson and Pennsylvania are fully in ROW, but if we have any easements for them I would need them as well.

This is actually a high priority as I need to respond to Ecology on this and we may get pulled into a lawsuit.

Thanks
